2-1-1 & Disaster Response

Dialing 2-1-1 is a free service that provides citizens with critical non-emergency assistance such as: Information on evacuation routes; mass care shelter/housing options; food and water; social services; family reunification status; animal evacuation information; traffic and road closures; and school and work closures. 2-1-1 programs are designed and have been used to relieve pressure on the 911 system and emergency response teams by providing an easy number for citizens to call for non-emergency needs. Remember, when a disaster strikes here in Nevada County and you need non-emergency information, Dial 2-1-1 to find the help you need.
