

**LAKE OF THE PINES ASSOCIATION
RULES & REGULATIONS**

Smoking & Outdoor Grows

Smoking is strictly prohibited in any Facility of Lake of the Pines, and all beaches, parks, and areas of organized sports activities, excluding (1) the golf course; (2) on the water of the main LOP lake (outside of designated swim areas); (3) and any specially designated smoking area with signage. This smoking prohibition may also include any area in or around any organized LOP special event. Smoking includes but is not limited to all activities such as smoking nicotine, tobacco, marijuana, vaping or utilizing any other lighted or electronic devices that deliver the substances that also emit second-hand smoke or vapors that contain carcinogens, including THC or other toxins proven by governmental agencies and legal decisions to cause adverse health risks to persons, including “passive smokers” who come in contact with the emissions;

Growing any marijuana plants outdoors in Lake of the Pines is prohibited.

The indoor growing of any marijuana plants that emit any fumes that are odiferous, noxious and/or a nuisance is prohibited at Lake of the Pines.

Violations will be administered as a Noxious Activity per the Fine Schedule.

Approved: August 14, 2019 – R-19-101 – Effective September 15, 2019
